

PRODUCT SHEET

Wall-mounted soap holder composed of four Ø4mm. satin stainless steel bars and 2 lateral supports just 91 mm. deep and 156 mm. wide that make it suitable for tight spaces. Easy to assemble, comes with two supports with washer to fix to the wall after inserting the four steel bars. Kit includes handy template for drilling holes and mounting as well as fixing elements to replace washers for an even more minimalist design, two plastic plugs and the hex key to tighten the screws.
