

PRODUCT SHEET

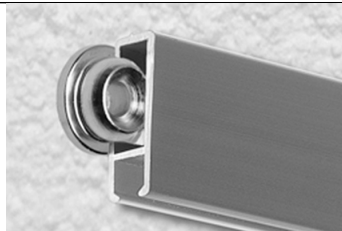

System for exhibition on walls of artwork, pictures, photographs, composed of one or more aluminium rails to be fixed to the wall in which to insert stainless steel cables. Along the cable it is possible to mount one or more clips with a hook which allow you to make a noose on which the works can be hung. Ideal in order to be able to easily and quickly modify displays and is even more effective with the self-blocking olive clip which drastically reduces display setup time.
