

PRODUCT SHEET

Wall-mounted shelf composed of four Ø4mm satin stainless steel bars 2 side brackets and one in the middle, all cylindrical. The depth of just 91 mm and width of 616 mm make it suited to tight spaces. Ideal for objects above a washbasin, in the shower or even in the kitchen. Easy to mount, comes with two side brackets and one central bracket with a washer to fix to the wall after inserting the four steel bars. Package includes handy template for drilling holes and mounting to wall as well as fixings to replace the washer for an even more minimalist design, plastic plugs and the hex key for tightening the screws.
