

PRODUCT SHEET

Cylindrical wall-mounted clothes rail with pin. An alternative to the Ø16 mm clothes rail bracket, this larger version is compatible with all the brackets for Ø18 mm tubes, thus making it possible to create a coordinated system, for example in the interior design for the bathroom. The wider diameter also allows the bracket to hold heavier clothing.

→05 21 B

Bracket for large wall mounted clothes rail. available in two finishes, satin nickel brass and polished chrome.
